AUGUSTA receives further payment from sale of ND Satcom

Munich, August 2, 2007. AUGUSTA Technologie AG (ISIN DE000A0D6612), listed in the Prime Standard, today was notified about the payment of a further purchase price tranche from the sale of ND Satcom to SES Astra. As contracted the amount of about 4.2 million euro will be transferred to AUGUSTA as at August 4 2007. With the payment of this final purchase price tranche the sale of ND Satcom is now entirely finalized.

The payment will affect the 2007 net profit of the company in a positive way and is not anticipated in the outlook on the business performance published so far.
