AUGUSTA confirms positive forecasts for fiscal year 2007

Frankfurt am Main, May 15, 2007. AUGUSTA Technologie AG (ISIN DE000A0D6612), which is listed in the Prime Standard of the Frankfurt Stock Exchange, has achieved its targets for the first quarter of 2007. It also has significantly exceeded a number of last year's figures and reports a promising start to fiscal year 2007. The 2006 quarterly figures have been adjusted for comparison purposes by the subsidiaries held for sale – the Lauer Group and the Dr. Keil Group. These companies are recorded in the *Profit/loss from discontinued operations* item in the income statement.

The AUGUSTA Group generated consolidated sales revenues of EUR 29.8 million in the first quarter (Q1 2006: EUR 28.3 million). This represents a slight increase of 5% year-on-year. The Sensors segment grew (+ 6.5% to EUR 19.4 million) as expected at a stronger pace than the Controls segment (+ 3% to EUR 10.4 million).

Incoming orders in the AUGUSTA Group amounted to EUR 30.8 million in the first quarter (Q1 2006: EUR 27.2 million). This rise is due in large part to the Controls segment, which recorded 40% growth. The Sensors segment was slightly over the prior-year level. Booked business amounted to EUR 39.5 million as of March 31, 2007 (March 31, 2006: EUR 36.2 million). Both segments were approximately 10% above the respective prior-year figures.

The AUGUSTA Group generated an accumulated segment result of EUR 5.5 million as of March 31, 2007 (Q1 2006: EUR 5.2 million). The Sensors division increased its segment result by 11% to EUR 3.1 million. The Controls segment achieved the same result year-on-year, at EUR 2.4 million.

Consolidated EBITDA in the first quarter of 2007 amounted to EUR 5.0 million (first quarter of 2006: EUR 5.1 million). EBIT amounted to EUR 4.5 million (Q1 2006: EUR 4.6 million). Unbudgeted acquisition costs and relocation costs for the Company's headquarters are included in the Holding company costs in the first quarter of 2007.
