### **AUGUSTA Technologie AG expands its Managing Board**

- **Arno Pätzold appointed Chief Development Officer (CDO)**

**Munich, December 18, 2009.** The Supervisory Board of AUGUSTA Technologie AG (ISIN DE000A0D6612) has appointed Arno Pätzold (46) to the Managing Board. Mr. Pätzold thus complements the current two members of the AUGUSTA Technologie AG Managing Board, and starting from January 1, 2010, will assume responsibility for the Corporate Development division focusing on Mergers & Acquisitions (M&A).

The qualified industrial engineer has many years' experience at international businesses and was most recently Vice President and Head of M&A at Infineon Technologies AG, Munich. In this role, he has already successfully concluded more than 70 international M&A projects worldwide.

With the appointment of Pätzold as CDO, AUGUSTA Technologie AG is pursuing its goals of achieving inorganic growth by means of a focused buy-and-build strategy.

#### **The Company**

AUGUSTA Technologie AG is an integrated technology group with a focus on the niche markets of sensor and automation technology.

In the Sensors division, the company develops, produces and sells sensor systems for customer-specific applications. The product portfolio ranges from the sale of individual pressure sensors to the development of complex sensor and measuring systems. The main areas of application are medical technology, industrial plant construction, the automotive industry, and the aviation and aerospace industries.

The company's Controls division delivers solutions for process flow automation and quality management. The application areas range from industrial image processing to automation solutions for logistics and special vehicles.

AUGUSTA's sales revenues totaled EUR 127.13 million in fiscal year 2008, with earnings before interest and tax (EBIT) of EUR 18.84 million.
